

## **Chikkanna Government Arts College, Tirupur – 641 602**

### **6.2.1 - The institutional Strategic/ perspective plan is effectively deployed**

The Strategic Plans of the College during 2021-22 was also affected by second cycle of COVID 19 Lock downs and uncertainties. Therefore the College had different strategies to effectively manage the academic and administrative activities.

#### *Teaching Learning Strategies*

- At the beginning of the academic year, it was well planned to conduct the online theory classes to students using various electronic modes to the convenience of Teachers and students. This was done to cope with the uncertainty that prevailed in conducting regular classes due to second COVID 19 lockdowns.
- It was planned to work on flexible Academic Calendars due to the uncertainty.
- The Strategy of conducting practical classes for outgoing batches was given priority was done using Standard Operating Procedures (SOP) prescribed by the State.
- Teachers were encouraged to make use of e-notes, videos and power point presentations extensively to promote and make effective online mode of teaching-learning process.
- To encourage staff to get more projects from funding agencies and write research papers in peer reviewed journals as well as to go of MoUs and LoUs with peer organization.
- To modernize the digital library.

#### *Strategies for Evaluation*

- Continuous Internal Assessments were planned accordingly. The college planned to conduct the CIAs online/offline mode with changes in Question Paper Pattern to suit the conduct of tests online. Teachers were permitted to customize the test patterns.
- End Semester Examinations were proposed to conducted flexibly both offline / online.
- Evaluation procedure was conducted online and offline.
- Admission was conducted online/offline mode.

#### *Administrative Strategies*

- The College planned to conduct Staff meetings online and meetings were conducted through Google Meet, ZOOM and other online meeting platforms apart from the offline meetings when the situation improved.
- Data Collection: Through Google Sheets and other electronic sources.
- Maximum benefits (Scholarship etc.,) were to be obtained via e-governance portal of the Tamilnadu government.

The perspective towards the mode of teaching took a different form during this year and hence the strategies were more tactical to handle the situation and make Teaching learning effective.

# Student Admission and Support

The screenshot shows the official website for Tamil Nadu Government Arts and Science Colleges Admission - 2022 (TNGASA - 2022). The page is in Tamil and English. It features the Government of Tamil Nadu logo and the TNGASA 2022 booklet. On the left, there are 'QUICK LINKS' for instructions in Tamil and English, a demo PC, the booklet, and a list of colleges. Under 'IMPORTANT DATES', it shows the commencement of online submission on 22/06/2022 and the last date for application submission on 27/07/2022. The main content area has two sections: 'Steps to Apply Online' (with five steps: Candidate Registration, Application Form Filling, Colleges and Courses Selection, Payment of Application Fee, and Application Download and Print) and 'Only Registered Candidates Sign In' (with fields for Email and Password and a 'Sign In - என்றும்' button). A red banner at the bottom states 'Registration Closed'. The browser address bar shows 'tngasa.in'.
