

Chikkanna Government Arts College, Tiruppur – 641 602

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students' representation is given in the Internal Quality Assurance Cell (IQAC). Their opinion and suggestions are invited through their participation in IQAC meetings.

Students also represent in important committees that operate for their welfare such as anti-ragging and women harassment.

Students largely represent their classes. Individual representatives are chosen for each class. Class representatives take forward the opinion of their fellow students and represent their grievances to the Class Teachers or Heads of the Departments. Principal along with the Governing Council members conduct meetings for these selected class representatives periodically. These representatives are given freedom to express their views and raise their demands on the academic and administrative activities of the College.

In addition, student heads are also appointed for several forums of the college. They act as coordinators of several adhoc committees formed to conduct departmental and college level events. Students are also permitted to organise events and activities for their job placements.
