**6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities**

IQAC conducts periodic meetings every year to check the academic and administrative functioning of the institution.

The academic activities of each department are monitored through their record of activities and events across fifteen files prescribed by IQAC. IQAC Team along with Principal visits the departments and physically verify the files to know the department activities.

Results of students and placement of students are also reviewed annually.

Students' feedback on Programme of their study and institution is obtained every year and is analyzed and an overall satisfaction score is obtained by each department. IQAC reviews this score every year.

Every year results are analyzed and meeting are conducted and discussions are held with the principal level, the faculty level , HODs level and suitable measures are taken to improve the outcome.

Members of the staff were very attentive and responsive. They interacted well to get their doubts clarified. I wish them all the best with their preparation of A & A.
